

HAPPY HCS-1201

VOYAGER

Big Sewing Power . . . In a Size Just Right for You.

Get the best of both worlds with the HCS Voyager from HAPPY: Compact enough to fit just about anywhere, or take it anywhere you need to sew. And yet, packed with features and abilities normally found on much larger multi-needle embroidery machines!

- 12-needles / automatic color change
- 12" x 12" sewing area
- High speed operation (1,000 s.p.m.)
- Automatic thread trimmers
- Easy-to-learn control panel
- Rotary thread break sensors
- Needs just 11" x 17" of table space

Sews on finished caps (with optional kit)

Send designs by USB, LAN serial cable, or FLASH card

Narrow cylinder arm allows great versatility in sewing!

Built-in bobbin winder
